The *Holy Bible Aionian Edition* ® is the world's first Bible *un-translation*! What is an *un-translation*? Bibles are translated into each of our languages from the original Hebrew, Aramaic, and Koine Greek. Occasionally, the best word translation cannot be found and these words are transliterated letter by letter. Four well known transliterations are *Christ*, *baptism*, *angel*, and *apostle*. The meaning is then preserved more accurately through context and a dictionary. The Aionian Bible un-translates and instead transliterates eleven additional Aionian Glossary words to help us better understand God's love for individuals and all mankind, and the nature of afterlife destinies.

The first three words are *aiōn*, *aiōnios*, and *aiōdios*, typically translated as *eternal* and also *world* or *eon*. The Aionian Bible is named after an alternative spelling of *aiōnios*. Consider that researchers question if *aiōn* and *aiōnios* actually mean *eternal*. Translating *aiōn* as *eternal* in Matthew 28:20 makes no sense, as all agree. The Greek word for *eternal* is *aiōdios*, used in Romans 1:20 about God and in Jude 6 about demon imprisonment. Yet what about *aiōnios* in John 3:16? Certainly we do not question whether salvation is eternal! However, *aiōnios* means something much more wonderful than infinite time! Ancient Greeks used *aiōn* to mean *eon* or *age*. They also used the adjective *aiōnios* to mean *entirety*, such as *complete* or even *consummate*, but never infinite time. Read Dr. Heleen Keizer and Ramelli and Konstan for proofs. So *aiōnios* is the perfect description of God's Word which has *everything* we need for life and godliness! And the *aiōnios* life promised in John 3:16 is not simply a ticket to eternal life in the future, but the invitation through faith to the *consummate* life beginning now!

The next seven words are *Sheol*, *Hadēs*, *Geenna*, *Tartaroō*, *Abyssos*, and *Limnē Pyr*. These words are often translated as *Hell*, the place of eternal punishment. However, *Hell* is ill-defined when compared with the Hebrew and Greek. For example, *Sheol* is the abode of deceased believers and unbelievers and should never be translated as *Hell*. *Hadēs* is a temporary place of punishment, Revelation 20:13-14. *Geenna* is the Valley of Hinnom, Jerusalem's refuse dump, a temporal judgment for sin. *Tartaroō* is a prison for demons, mentioned once in 2 Peter 2:4. *Abyssos* is a temporary prison for the Beast and Satan. Translators are also inconsistent because *Hell* is used by the King James Version 54 times, the New International Version 14 times, and the World English Bible zero times. Finally, *Limnē Pyr* is the Lake of Fire, yet Matthew 25:41 explains that these fires are prepared for the Devil and his angels. So there is reason to review our conclusions about the destinies of redeemed mankind and fallen angels.

The eleventh word, *eleēsē*, reveals the grand conclusion of grace in Romans 11:32. Take the time to understand these eleven words. The original translation is unaltered and a note is added to 64 Old Testament and 200 New Testament verses. To help parallel study and Strong's Concordance use, apocryphal text is removed and most variant verse numbering is mapped to the English standard. 4 U-Adamu wembatha lomkakhe u-Eva, wasezithwala, wabeletha uKhayini. Wathi, “Ngosizo lukaThixo sengibelethe indoda.” **2** Muva wabeletha umfowabo u-Abheli. U-Abheli waba ngumfuyi wemihlambi vezimvu, uKhayini yena wasebenza umhlabathi. **3** Ngokuya kwesikhathi uKhayini waletha ezinye izithelo zomhlabathi ukuba ngumnikelo kuThixo. **4** Kodwa u-Abheli waletha izitho ezinonileyo zisuka kwamanye amazibulo omhlambi wakhe.
